

Acupuncture Benefit

Acupuncture treatment is included as part of your Simplete™ health plan coverage.

- Treatment must be for headache, neck pain or lower-back pain diagnoses.
- You don't need prior authorization.
- You can choose any acupuncture provider. A per-visit copay may apply (varies by plan).
- You or your provider should submit claims using the information on the back of your ID card.

You get access to up to 15 covered visits for headache and neck pain. Coverage for lower-back pain treatment includes 12 initial visits with eight additional visits if you're showing improvement through treatment. Lower-back pain visits are limited to 20 per year.

For more information, see your Evidence of Coverage or contact the number on the back of your ID card.

Out-of-network/non-contracted providers are under no obligation to treat Health Alliance Medicare members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
